

It's a crazy time of year for a lot of people, with back to school season upon us.

We know a lot of people like to wait on lessons during the summer and see what their schedule is like with school in full swing before they commit to a lesson time. As schedules get locked in, the next few weeks end up being a pretty busy time for Falls Music as well. If you know anyone in this position, and you refer them to us, you can get a free month of lessons for yourself or your child!

This offer is always available, but we wanted to send out a reminder to students and parents since now is a busy time for us and slots are filling.

If you have any more questions, please don't hesitate to get in touch with me at the email address provided below.
